# Become a Trustee

## Make a difference

Are you ready to embark on an adventure where your passion for nature, fun, and finance blend seamlessly into a role that not only fulfills you professionally but also makes a real difference in the world of childcare?

We're on the hunt for a Trustee Treasurer to join our vibrant committee at PAWS, where every day is an opportunity to inspire and be inspired by the wonders of the natural world, all while ensuring we're on a steady financial path. We're looking for somebody with the skills, experience and enthusiasm in helping to manage and run the financial side of our charity either remotely or in person.

## Trustee Treasurer

You'll be the guardian of our finances, weaving your magic to ensure that every penny is spent wisely, enhancing our nature-inspired programs that are as unique as the children we serve.

You'll work alongside a team of passionate professionals who are dedicated to creating an environment where children can flourish, guided by the rhythms of the natural world. Your expertise in finance will not only help us maintain our health as a non-profit but also innovate ways to grow our resources, ensuring that our little explorers have everything they need to embark on their learning journeys.

## Strength in numbers

But this role is about more than just numbers. It's about being part of a community that values creativity, sustainability, and the endless possibilities that come from a deep connection to nature. It's about bringing your whole self to the table, ready to tackle challenges, celebrate successes, and contribute to a vision of childcare that's as dynamic and diverse as the ecosystem we draw our inspiration from.

If you're ready to take on this rewarding role and make a lasting impact, we invite you to join us as we nurture the next generation of nature lovers, one financial plan at a time.
